**NATIONAL SHOW SUGGESTIONS & FEEDBACK:**

*Thankyou to those Members who have given feedback on previous years National Shows. Following suggestions from Members, we have made some changes this year and due to many Member requests, we have re-instated the 3 Judge Show on Sunday, as the "National Tri-fecta" ! This is YOUR National Show, if you have any ideas or suggestions please pass them on to Committee: Member input is vital to the success of any event and gives us, your Committee, the opportunity to hold a National Show that is for the Members and what the Members want. There is no point standing in the marshaling area, or the stables and saying that you wish there was this or that at the National Show; put your ideas forward and if we can possibly incorporate Member's ideas we will, as ALL suggestions are considered.*
