Late entries accepted, conditions detailed hereunder:-

NATIONAL SHOW ENTRIES ~ CONDITIONS:

Knowing that in most instances stables and accommodation on grounds is a big part of Member's National Show outlay and taking into consideration Member feedback, we are again offering Members the option of paying their National Show payments in instalments.

Due to the fact that we need time to prepare the National Show Programme, order Sashes and Trophies, etc, we have made the closing date for National Show entries, as late as we possibly can and offer the following payment arrangements to Members:- National Show entries will close on **TUESDAY 20 February 2024** and payment for all entries must be PAID BY, OR ON THIS DATE. Entries received after this date will not be guaranteed to be in the National Show Programme and will be considered a late entry.

Payment for everything else, such as Stables and Campsites, **MUST** be paid for on or by **FRIDAY 1 March 2024** which gives Members extra time to pay for these items. Naturally if you wish to pay before this date you may.

If you wish to take advantage of the above payment option, the following procedure should be followed:

- ❖ Fill out your Entry Forms, Stable Form, Work Order, Campsites etc, including everything you will require for the show so that you have a total amount on the workorder. If you wish to pay for your entries only at this stage include that amount when paying
- ❖ Your Entries will be processed. This will show the total amount due for your National Show entries, plus anything else you have booked. It will also record the payment made and show you how much is still owing.
- ❖ When you send your next payment to the office, return a copy of the Tax Invoice, with the payment.

If anyone is not clear on the procedure to take advantage of the delayed payment option above, or the late entry fee, please email
